

Not sure how to get to Midtown, Downtown or Del Paso for the Art Walk?

EASY DRIVING DIRECTIONS

While Galleries are spread out all over Sacramento (there are now over 100 participating galleries and venues!), MOST galleries are centered in Midtown, Downtown and along Del Paso Boulevard.

If this is your first Second Saturday, we strongly recommend starting at the corner of 18th & L Street in Midtown. There are about a dozen galleries and a dozen or more other venues showing art within an easy 2-5 minute walk. Parking is available on the street (free) as well as several close by (directly across the street) parking lots (paid parking) and even valet service (for a fee).

GETTING TO MIDTOWN

Your destination is the corner of 18th & L Streets

FROM BUSINESS 80 (CAPITOL CITY FREEWAY)

After passing Exposition Boulevard the next exit you'll see is E Street. Take the 2nd exit (J Street). At the light you can't turn right onto J - its a one way street. You can turn left (don't) or you can kind of go forward and make a sloping turn to the left - take this. This will put you on 29th Street. Follow 29th two blocks and make a RIGHT turn onto L Street (at Sutter Hospital). L Street is one way. You will be traveling WEST and you will be going DOWN in Numbered Streets (from 29 to 28 to 27...all the way to 18th Street). See, wasn't that easy? Confused? Scroll down for map...

FROM HWY 50

There are several ways to get to 18th & L from Hwy 50 - I think the fastest and easiest way is this way:

After passing 65th street heading WEST on Hwy 50, the next exit you will come to is STOCKTON BOULEVARD. Take the STOCKTON BOULEVARD exit. Once you come to a light, TURN RIGHT. Follow this over the RR tracks to another light (Alhambra). If you continue forward (and with a slight forward/left turn) you will now be on "P" Street. You will be traveling WEST on P Street - keep following P Street down street numbers (29th to 28th to 27th...all the way to 18th Street). Turn RIGHT on 18th street and follow it 4 blocks (past O, N, and Capitol (which is the same as "M" Street) to L Street!

FROM HWY 99

Taking Hwy 99 North, you will merge onto the Capitol City Freeway (Reno) and exit at N Street. Once you've come to the bottom of the ramp, go forward (not a left turn and not a right turn) and curve onto 30th Street (you will be parallel to the elevated Freeway to your left). Follow 30th Street past Capitol (same as "M" Street) and make a LEFT on "L" Street. L Street is one way. You will be traveling WEST and you will be going DOWN in Numbered Streets (from 29 to 28 to 27...all the way to 18th Street).

FROM I-5 North

Taking I-5 South (from Natomas), cross the American River, the first exit you see is Richards Boulevard. The next exit is "J" Street. Take the J street exit and stay in the center lane. Once on J street (one way) you will be traveling East. You will be going UP numbered streets (5th, 6th, 7th ... all the way to 18th Street). Make a RIGHT turn at 18th Street (at the Gifted Gardener) and follow 18th two blocks to the corner of 18th & L Street.

FROM HWY 80/50 from the West

Taking Hwy 80/50 East from West Sacramento/Davis/San Francisco cross the Sacramento River, take the 15th Street Exit. Once at the light, go forward (with the elevated Freeway to your left) up to 16th Street. Make a LEFT onto 16th Street. You will go under the freeway. Follow 16th (one way) DOWN the alphabet (X Street to W St. to V Street... all the way to K Street. Turn RIGHT on K Street, go two blocks to 18th Street and make a RIGHT on 18th Street and go one block to L Street.
